SPECIFICATIONS

DEMOLITION JACK HAMMER

When compared with the other options in this article, jack demolition hammer is a smaller brand of power tools that still offers a decently powerful demolition hammer to its users.

The demolition hammer comes with a highly powerful and heavy-duty electric motor. It includes a 20 amp electric motor that results in a power rating of 2200 watts while using it with a 110-volt current source. As for its speed rating, you can go up to 1900 blows per minute that should be more than enough for most users.

One of the most unique things about this demolition hammer is that it includes multiple accessories in the box. This includes a flat and a bull point 1 1/8 inch chisels. You even get a carrying bag, gloves, safety glasses, wrench, and much more. All of these things offer a great experience while using this demolition hammer. As for its warranty, you get a 1-year long warranty just like most other options out there.

Best Features:

- 20 amp electric motor
- Speed rating of 1900 blows per minute
- 1-year long warranty
- 2200 watt power rating

Pros:

- The affordable price tag for users on a budget
- Includes a wide range of accessories in the box
- Easy to control demolition hammer

Cons:

- Not the most power-efficient option out there
