PART 1 BIDDING PROCEDURES

FAILURE TO COMPLY WITH ANY OF THE ABOVE REQUIREMENTS WILL LEAD TO AUTOMATIC DISQUALIFICATION

2. Technical evaluation

The Technical Specifications Sheet details the minimum specification of the Goods required. The goods offered must meet this specification, but no credit will be given for exceeding the specification. The technical evaluation shall consider bidder's compliance with the technical specifications of the tender given below. The technical specifications of the project are broken down into technical components ALL of which must be complied with.

3. Financial evaluation and comparison to determine the evaluated price of bids and to determine the lowest evaluated bid.

Bids failing any stage will be eliminated and not considered in subsequent stages.

Evaluation criteria

The Procuring Entity's evaluation of a Bid will take into account, in addition to the Bid Price, the following criteria and methodologies.

- (a) **Delivery schedule:** The specified Goods are required to be delivered by the date indicated in the Delivery Schedule in Part 2. If the delivery period offered differs from the requirements in the schedule, bidder must state in their bid.
- (b) **Deviation in payment schedule:** The payment schedule is stated in the contract. A Bidder may propose a deviation from the schedule and if the deviation is considered acceptable to the Procuring Entity, the Bid will be evaluated by calculating interest earned for any earlier payments involved in the terms outlined in the Bid as compared with those stipulated in the SCC, at the rate of interest indicated by the Reserve Bank of Zimbabwe on the closing date for submission of bids.
- (c) **Cost of major replacement components, mandatory spare parts, and service:**
Bidders must state the unit prices for these items. The total cost of these items and quantities will be added to the Bid price, for evaluation purposes only.
- (d) **Life Cycle Costs:** An adjustment to take into account the additional life cycle costs for the period specified below, such as the operating and maintenance costs of the Goods, including the cost to the Procuring Entity of establishing the minimum service facilities and parts inventories if not available in Zimbabwe, will be added to the Bid price for evaluation purposes only. The adjustment will be evaluated in accordance with the methodology specified below and the following information:

Eligibility and Qualification Criteria

Bidder is required to meet these criteria to be eligible to participate in public procurement and to be qualified for the proposed contract. They must therefore provide any available documentation and certify their eligibility in the Bid Submission Sheet. To be eligible, Bidder must

1. have the legal capacity to enter into a contract;

- i.** The tender may be awarded up to three lowest evaluated bids to specification provided that the price of the second and third lowest bids to specification are not more than 10% above the lowest evaluated bid to specification
- ii.** In the event that the tender is awarded to three lowest evaluated bids to specification, the ratio of apportionment for quantities will be 50:30:20
- iii.** In the event that the price of the third lowest bid to specification is more than 10% of the lowest evaluated bid to specification, the tender shall be awarded to only the lowest evaluated bid to specification and the second lowest bid to specification (given that the second lowest bid to specification's price is not more than 10% of the lowest evaluated bid to specification) at a ratio of 60:40
- iv.** In the event that the price for both the second and third lowest evaluated bids to specification are outside the limits stated in (i) the tender shall be awarded to the lowest bid to specification only.

Right to Reject

The Procuring Entity reserves the right to accept or reject any Bids or to cancel the procurement process and reject all Bids at any time prior to contract award.

Corrupt Practices

The Government of Zimbabwe requires that Procuring Entities, as well as Bidders and Contractors, observe the highest standard of ethics during the procurement and execution of contracts. In pursuit of this policy:

1. the Procuring Entity will reject a recommendation for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract or been declared ineligible to be awarded a procurement contract;
2. any conflict of interest on the part of the Bidder must be declared.
